

Pavo Cereals

Top quality cereals

The series of Pavo's cereals consists of 4 different products, all top quality cereals with a high energy value. Cereals are used for horses that need extra energy, and by owners who want to put together their own feed ration for their horse. Pavo single Cereals contain no molasses. See the base of the bag or the attached label to see which product this bag contains.

Important characteristics

- Peeled white oats
- Peeled black oats
- Rolled oats
- Balanced CerealMix (blend of white and black oats, barley, and corn with added vitamins and minerals)

Guaranteed yields

DE	12,6 MJ/kg
